

General Terms to the Agreement - Bahrain

These General Terms ("**General Terms**") are entered into by and between BT and the Customer (each a "**Party**" and together the "**Parties**").

1. Order of Precedence

The agreement between BT and the Customer is comprised of these General Terms, together with each document that references or is referenced by these General Terms ("**Agreement**"). In the event of a conflict between the documents that form part of this Agreement, the order of precedence shall be, in descending order:

- 1.1 Master Order Form(s);
- 1.2 these General Terms;
- 1.3 Service Schedules;
- 1.4 Order forms other than a Master Order Form (each an "**Order**"); and
- 1.5 Any other documents expressly incorporated by one of the documents listed above.

2. Commencement and Duration

- 2.1 This Agreement starts on the Effective Date and will continue until all Services are cancelled, terminated or expire in accordance with this Agreement.
- 2.2 On termination or expiry of a Service or any Order for any reason other than when this Agreement is terminated or expired in its entirety, all Orders executed prior to the date of termination or expiry will remain unaffected and continue in force until termination or expiry of each Order in accordance with the terms of this Agreement.

3. BT Obligations

- 3.1 BT will:
 - 3.1.1 provide Services in accordance with the terms of this Agreement;
 - 3.1.2 provide each Service to the Customer with the care and skill that would reasonably be expected in the circumstances; and
 - 3.1.3 comply with all Applicable Law that apply to the provision of a Service.

4. Customer Obligations

- 4.1 In addition to any other obligations set out in this Agreement, the Customer will:
 - 4.1.1 comply with, and ensure that its Users comply with, all Applicable Law in the receipt and use of the Services;
 - 4.1.2 comply with the Acceptable Use Policy and the Compliance Obligations and ensure their Users do; and
 - 4.1.3 not re-sell the Services to a third-party without BT's prior written approval or unless explicitly set out in a Schedule. If BT grants such approval, it will be conditional upon the Customer imposing on the relevant third-party in writing obligations no less onerous than those to which the Customer is subject under this Agreement (including the Compliance Obligations and the Acceptable Use Policy).

5. Misuse of a Service

- 5.1 The Customer will be liable for any claims, losses, costs and liabilities arising out of or in connection with any misuse of a Service by the Customer that is contrary to the Acceptable Use Policy or Compliance Obligations or Applicable Laws.
- 5.2 BT may, where there is a material breach of the Acceptable Use Policy or Compliance Obligations and where permitted to by the governing law of this Agreement:
 - 5.2.1 report the Customer to the relevant law enforcement agency; and

- 5.2.2 restrict or suspend the Service in accordance with Clause 13.

6. Excused Performance

- 6.1 Notwithstanding the occurrence of a Force Majeure Event, in which case Clause 17 will govern, BT will not be liable for any failure or delay to perform any of its obligations under this Agreement (including any of its obligations to meet any Service Levels) to the extent that BT's failure or delay in performing arises as a result of:

- 6.1.1 any failure or delay by the Customer to perform any of the Customer's obligations under this Agreement;
- 6.1.2 any act or omission other than on the part of a BT Affiliate or a subcontractor or supplier appointed by it unless that BT Affiliate, subcontractor or supplier has invoked their force majeure rights under their contract with BT; or
- 6.1.3 Applicable Law, a court order, an application for interlocutory relief or injunction restricting or preventing BT from supplying a Service.

7. Charges and Taxes

- 7.1 Save to the extent provided to the contrary herein, all recurring and non-recurring charges ("**Charges**") relating to the Services will be specified either in the Master Order Form or Order.
- 7.2 Charges are exclusive of all applicable Transaction Taxes and the Customer will pay all Transaction Taxes on receipt of a valid tax invoice, including those Transaction Taxes paid or payable by BT that under Applicable Law BT is entitled to pass on to the Customer and that are customarily passed on to customers by service providers, except to the extent a valid exemption certificate is provided by the Customer to BT prior to the delivery of any Services.
- 7.3 If payment of any amount of the Charges is subject to Withholding Taxes required by Applicable Law, the Customer will deduct the Withholding Tax and pay it to the relevant taxing authority within the period for payment permitted by Applicable Law.
- 7.4 Where the Customer deducts Withholding Tax in accordance with Clause 7.3, the Customer will:
 - 7.4.1 gross up its payments to BT such that the net amounts received by BT after all deductions and withholdings will be not less than what would have been received in the absence of those Withholding Taxes; or
 - 7.4.2 indemnify BT for the amounts deducted from the payment to BT.
- 7.5 Where BT receives a claim from a taxing authority alleging that Withholding Tax has not been received on payments by the Customer to BT, the Customer will indemnify BT for the amount of the Withholding Tax due together with any interest, fines and penalties resulting from the late payment or non-payment of the Withholding Tax and any costs of defending the claim against the taxing authority.
- 7.6 Any change to the agreed billing arrangements shall be subject to written agreement by the Parties.
- 7.7 BT may automatically and without notification include an annual increase to the Charges (rounded to the nearest whole dinar) equal to the annual percentage increase in the Consumer Price Index (CPI) rate figure published by the Ministry of Finance and National Economy in January of that year (ignoring any negative figures).
- 7.8 It is agreed that the change to the Charges as a result of the annual price increase will not cause the Customer material detriment, nor provide the Customer with the right

- to terminate this Agreement, without paying Termination Charges (if they would normally be applicable).
- 7.9 If the Customer does not perform the obligations set out in this Agreement BT will charge the Customer for any additional costs BT incurs (including supplier costs) that are the result of the failure.
- 7.10 If the Customer causes a delay during the commissioning of the Service, BT will commence charging the Customer the Charges for the Service as if BT fully installed the Service from the agreed planned delivery date. Alternatively, the Parties may also agree:
- 7.10.1 a new delivery date for the Services together with compensation for any additional costs BT incurs (including supplier costs) resulting from the change in delivery date; or
- 7.10.2 to cancel the Order subject to the Customer paying any costs BT incurs as result of such cancellation.
- 7.11 BT may adjust the Charges to reflect changes in charges BT incurs which are beyond BT's control, for example where there is a change in Applicable Law. Price adjustments will be effective from the billing period following written notice to the Customer. Where the Customer does not agree to such change, the Customer can terminate the Service by giving at least 45 days' written notice to BT. No termination Charges will be due.
- 7.12 Where BT has provided rate card Charges for access, equipment and Software (including Licenses and maintenance) based on prices from suppliers and the supplier changes the prices, then BT may adjust the rate card Charges to reflect changes in charges BT incurs from the Supplier. This will not affect the Charge for any access, equipment or Software that has already been ordered prior to BT notifying the Customer of the change.
- 7.13 At the end of the Service BT has the right to invoice the Customer a one-off de-installation Charge for the recovery and disposal of the Equipment and disconnecting the Service. The de-installation Charge will be either a) agreed on the Order or b) if none was agreed on the Order - equal to the rates for installation.
- 8. Payment**
- 8.1 The Customer shall pay all Charges for the Services within thirty (30) days of the date of BT's invoice, without any set-off, counterclaim or deduction.
- 8.2 If the Customer fails to pay any invoice in accordance with Clause 8.1 and is not disputing the invoice pursuant to Clause 9, BT may:
- 8.2.1 charge the Customer interest on the unpaid amount at the annual rate of 1.5 per cent per month, or at the maximum rate permitted by Applicable Law, whichever is less, with such interest compounded daily from the due-date of the invoice until payment is made in full by the Customer; and
- 8.2.2 restrict or suspend any part of a Service as set out in Clause 13.1.
- 8.3 The Customer will pay any reasonable costs BT has incurred in recovering any debt owed by the Customer to BT, including debt collection agency and legal costs.
- 9. Invoice Disputes**
- 9.1 If the Customer disputes an invoice that BT issues before the Customer makes payment, it will provide notice to BT of the dispute within 28 days of the date of the invoice, together with all information relevant to the dispute including an explanation of the amount disputed and the reasons.
- 9.2 If the Customer disputes an invoice that BT issues after the Customer makes payment, the Customer must provide notice to BT of the dispute within six months of the date of the invoice, together with all information relevant to the dispute including an explanation of the amount disputed and the reasons.
- 9.3 The Customer will, in accordance with Clause 8.1, pay all undisputed amounts of an invoice.
- 9.4 The Parties will follow the dispute resolution procedure in Clause 18 and the Customer will pay any resolved amount within seven days after resolution of the dispute.
- 9.5 BT may charge the Customer a late payment charge or interest in accordance with Clause 8.2 for any resolved amount agreed from the due-date in accordance with Clause 9.4.
- 10. Intellectual Property Rights**
- 10.1 Nothing in this Agreement shall result in the transfer of Intellectual Property Rights. All Intellectual Property Rights ("IPR") of a Party that are either pre-existing or created by a Party during its performance under this Agreement shall remain the absolute property of that Party or its licensors.
- 10.2 BT grants the Customer a non-transferable and non-exclusive licence to use, for the Permitted Purpose only and in object code form only, all Software and associated documentation supplied by BT, provided that the Customer complies with the terms of this Agreement. The Customer will not copy, decompile, modify, or reverse engineer any Software, or knowingly permit anyone else to do so, except as expressly permitted by BT in writing or otherwise provided by law. The term of any license granted by BT shall be coterminous with the term of the associated Service.
- 10.3 This Agreement does not apply to any third-party software or firmware (including without limitation, any Open-Source Software) that is licensed to the Customer under a separate license agreement.
- 10.4 Subject to Clause 10.3 and 16.6, BT will indemnify the Customer against third-party claims arising from the infringement of any third-party IPR by the Customer's permitted use or receipt of any Services.
- 10.5 BT's indemnification obligations do not apply to third-party claims arising from:
- 10.5.1 use of any Services in combination with other equipment, software, or any other service not supplied by BT;
- 10.5.2 any unauthorised modification or use of a Service by the Customer, its agents, or a User;
- 10.5.3 content, designs or specifications supplied by or on behalf of the Customer; and
- 10.5.4 failure to immediately cease any activity that gave rise to the claim following notice by BT.
- 10.6 If any Service becomes, or BT believes is likely to become, the subject of an IPR infringement claim, BT may, at its option and expense, either:
- 10.6.1 secure for the Customer a right of continued use;
- 10.6.2 modify or replace the Service so that it is no longer infringing, provided that such modification or replacement does not materially affect the performance of the Service; or
- 10.6.3 cease provision of the Service and refund any unapplied, pre-paid Charges.
- 10.7 The Customer will indemnify BT for any claims, losses, costs or liabilities brought against BT that results from or is connected with any of the matters described in Clauses 10.5.1 to 10.5.4 (inclusive).
- 11. Confidentiality**
- 11.1 Each Party will keep in strict confidence all Confidential Information disclosed to it and will only disclose any Confidential Information:
- 11.1.1 to those of its employees, agents, Affiliates, officers, directors, advisers and, in the case of BT, its subcontractors and suppliers, who need to know it for the purpose of that Party discharging its obligations or receiving a benefit under this Agreement; or

- 11.1.2 as is required by Applicable Law, any governmental or regulatory authority or by a court of competent jurisdiction and the Party disclosing the Confidential Information will give the other Party as much notice as reasonably possible.
- 11.2 The Party disclosing the Confidential Information in accordance with Clause 11.1.1 will ensure that those employees, agents, Affiliates, officers, directors, advisers and, in the case of BT, BT's subcontractors and suppliers, comply with the obligations set out in this Clause 11 as though they were a party to this Agreement.
- 11.3 Upon notice from a Party, the other Party will return or destroy any Confidential Information received from the requesting Party within a reasonable time period.

- 14.1 The Customer may immediately cancel an Order by notice to BT before the Service Start Date.
- 14.2 If the Customer exercises its right under Clause 14.1, the Customer will pay to BT in accordance with Clause 8.1 all specified cancellation Charges set out in the applicable Order, or if none are specified, it shall pay the third-party cancellation costs (if any) charged to BT. The Customer may not cancel Services that have already been ordered or shipped from a third-party unless agreed by BT in writing.

- 15.6 The Customer acknowledges that any Termination Charges are proportionate given the early termination of the Service or Agreement before the end of the applicable Minimum Term and having regard to the overall commercial interests of the parties, and that the Termination Charges do not represent a penalty.
- 16. Limitation of Liability**
- 16.1 This Agreement excludes, to the fullest extent allowed by law, any warranties, conditions or other terms that may be implied by statute or common law.

- 16.7 Nothing in this Agreement will restrict or limit either Party's general obligation at law to mitigate a loss, even where that loss occurs as a result of anything that may give rise to a claim under an indemnity.
- 16.8 In the event that BT fails to meet a Service Level and this means that the Customer is entitled to Service Credits, such Service Credits will be:
- 16.8.1 the Customer's sole and exclusive remedy for such failure by BT, unless and to the extent that such failure amounts to material breach by BT; and
 - 16.8.2 deducted from the amount of any amount agreed as payable by BT in accordance with Clause 18 or awarded by a court of competent jurisdiction.

 - 17.1.4 be entitled to a reasonable extension to perform the obligation affected by the Force Majeure Event; and
 - 17.1.5 still be liable for any breaches of Agreement prior to the Force Majeure Event where the other party has used their rights set out in Clause 18.
- 17.2 Nothing in this Clause 17 affects the Customer's obligation to pay BT any amounts payable under this Agreement on time and in the way described in Clause 8.1 for Services provided by BT that are not affected by the Force Majeure Event.
- 18. Dispute Resolution Procedure**
- 18.1 The Parties will work in good faith to resolve any dispute amicably. The Parties will first attempt to resolve a dispute at an operational level within thirty (30) days of the date one Party notifies the other of such dispute. If the dispute is unresolved at that level within that period, the Parties' representatives at director level or above shall then meet within a further period of two (2) weeks, or as otherwise agreed between the Parties, to seek to resolve the dispute. If the Parties are then unable to resolve the dispute at this Director level within thirty (30) days, either Party shall have the right in accordance with Clause 26 to pursue all available legal or equitable remedies available to it. Nothing shall preclude either Party from seeking equitable relief at any time in a court of competent jurisdiction in the

20.3 The Customer agrees that BT may, by giving written notice to the Customer, novate this Agreement, or all or part of a Service or Order, to a BT Affiliate in which case the Affiliate will assume all rights, obligations and liabilities under this Agreement, and BT's rights, obligations and liabilities will be extinguished.

20.4 The Parties agree that either Party, or an Affiliate of either Party, may enter into a separate contract with an Affiliate of the other Party, which will incorporate these General Terms and the relevant Schedules ("**Affiliate Contract**").
